

## **EShare Conference 2007**

You are invited to the EShare 2007 Users Conference to be held at the Carlton Crest Hotel, Melbourne Victoria from 29<sup>th</sup> to 31<sup>st</sup> October 2007.

Members of the committee have had discussions with Infor and a number of conference sponsors. Both have confirmed that they are committed to the users of the various applications from the SSA Global, (now Infor) stable, and that they are fully supportive and committed to our event.

To those of you who had stepped forward to contribute to the 2006 conference by presenting a paper (or two) thank you and we would like to accept your kind offers. We will contact you shortly to confirm your availability for the re-scheduled event.

Miguel Perez

Chairman

SSA Users Australia New Zealand
