## Postcard

**JIWA Postcard connects directly to customer and supplier centric data enabling you to provide exceptional customer service and strengthen supplier relations at a significantly reduced cost.**

With **JIWA Postcard**, your customers and suppliers can electronically receive, via email or fax, reports such as a debtor statements, creditor remittance advices, recent delivery schedules, backorder reports and order acknowledgements, saving time, labour and white paper costs. **JIWA Postcard** offers you the power to send your customers and suppliers reports, anyway you like.

**JIWA Postcard** is a fully integrated feature of **JIWA Financials**.

### ■ The Power to Group

Customers and suppliers may have a preferred method of receiving information. Whether it is fax, post or email, **JIWA Postcard** can be setup to handle these preferences. **JIWA Financials** allows you to group your customers and suppliers into Postcard groups so you can quickly and easily deliver them the desired information.

### ■ The Power to Fax

Fax reports and statements from your PC to your customers. Faxing functionality is particularly useful for organisations whose customers are not connected to the Internet or email.

### ■ The Power to Email

The Internet is a powerful tool. **JIWA Postcard** has utilised the Internet so that reports and statements can be emailed directly to a group of email recipients, simply at the click of a button.

### ■ Save Time, Money and Resources

Impressing your customers and providing information to suppliers traditionally costs time, money and resources. **JIWA Postcard** allows you to do this more effectively whilst negating printing and posting costs, and dramatically reducing staff time and resources. You will achieve better results and staff time will be freed to do more productive work.
